

## **EUGENE P. ANDERSON**

Associate WMM Associates

### **Construction Administration / Quality Control**

As Project Manager, Mr. Anderson has been providing comprehensive professional architectural services in all phases of commercial and institutional projects from schematic design through project close-out. Mr. Anderson has been responsible for over 200 million dollars worth of construction.

Mr. Anderson has successfully completed several major civic projects including the City Hall Expansion for the City of Santa Fe Springs, California and the Telecommunications Building for the City of Torrance, California. He has also developed, scheduled and directed construction documents for the privately funded William H. Ahmanson Addition and the Dr. Armand and Francis Hammer Gallery expansion for the Los Angeles County Museum of Art (LACMA). In addition, he has directed and participated in all necessary documentation for the construction of several major commercial retail projects including the Broadway and Sears Department Stores and regional shopping centers. He has also directed the construction management and administration for several police facilities; including the facilities for the Cities of San Fernando, Tulare, Porterville, Whittier and Signal Hill, California. Mr. Anderson is also well versed in preparing budgets, schedules and in the preparation of documentation for a wide variety of architectural projects.
